COVID- 19 related Public Health Guidance:

Proposals should be based on the best public health advice and guidance available at the time you are making your application. Your proposal should be feasible and adaptable should social distancing and/or other public health measures impact on all or part of the period to which this residency proposal applies.

In the event that your application is successful, and you subsequently need to change or alter some or all of your proposal on the basis of changed public health advice, you should contact the director of your local education centre in advance to discuss this. Consideration must be given to the possibility of virtual/remote residencies. Further information on Public Health guidance is available on HSE and Government websites and is updated frequently. See [HSE.ie](https://www.hse.ie) and [Gov.ie](https://www.gov.ie)

Conditions of BLAST Arts in Education Residency Initiative 2021:

Successful residencies may only begin when written notification of selection of applications is received from the local full-time education centre and Garda vetting has been completed.

Education centres will organise the application by individual artists for Garda vetting.

The artist will be funded for a total of 20 hours, which will include 6 hours for planning, development and review in partnership with teachers.

The artist's fee is €1,000 total.

The school will pay for any materials associated with the project and also for documentation of the project and any other costs involved including insurance costs.

Projects approved under the BLAST 2021 scheme must be completed by the end of the 2021/2022 academic year.

Full conditions can be found in *BLAST 2021 Arts in Education Residency Initiative*, available on the local education centre's website or gov.ie/blast.
